INCADAQUÉS

The seventh InCadaqués International Photo Festival would like to invite you to dive into the world of photographic images and its creators. For ten days, the eccentric, Daliesque village of Cadaqués will become an open space for the work of 40 photographers from around the world with every old stone wall and narrow street turned into one giant canvas for their art. Galleries, cafés, restaurants and cultural venues are all come together to take part in the event. InCadaqués will be both an educational and aesthetic experience with an opportunity for the public to meet the photographers, and to learn about and acquire their work in such a way that collecting becomes creation. Limited editions and prints will be made especially and exclusively for InCadaqués.

El setè Festival Internacional de Fotografia InCadaqués vol convidar-vos a endinsar-vos en el món de la imatge fotogràfica i els seus creadors.

Durant deu dies, l'excèntric poble daliesc de Cadaqués es convertirà en un espai obert per al treball de 40 fotògrafs d'arreu del món amb cada vell mur de pedra i carrer estret convertit en un llenç gegant per al seu art. Galeries, cafeteries, restaurants i espais culturals es reuneixen per participar en l'esdeveniment.

InCadaqués serà una experiència tant educativa com estètica amb una oportunitat per al públic de conèixer els fotògrafs, conèixer i adquirir el seu treball de manera que el col·leccionisme es converteixi en creació. Es faran edicions i impressions limitades especialment i exclusivament per a InCadaqués.
