INCADAQUÉS

EDITION N.5

PHOTOGRAPHERS . EXHIBITIONS . WORKSHOPS

PROJECTIONS . BOOKS . MASTERCLASSES

**INCADAQUÉS**

The fifth InCadaqués International Photo Festival would like to invite you to dive into the world of photographic images and its creators.

For ten days, the eccentric, Daliesque village of Cadaqués will become an open space for the work of 35 photographers from around the world with every old stone wall and narrow street turned into one giant canvas for their art. Galleries, cafés, restaurants and cultural venues are all come together to take part in the event.

InCadaqués will be both an educational and aesthetic experience with an opportunity for the public to meet the photographers, and to learn about and acquire their work in such a way that collecting becomes creation. Limited editions and prints will be made especially and exclusively for InCadaqués.
